

A Virtual Conference - Hosted by Cappadocia University

How do pandemics impact upon hope and utopian imaginaries? How do we co-construct more ethical and liveable worlds after 'the end', and what might these worlds look like?

Join us for a (virtual) interdisciplinary conference examining utopian and dystopian representations of pandemics in fiction, film and culture

13 - 15 January 2021 (Microsoft Teams)

Send queries & abstracts to:

■ pandemicimaginaries@gmail.com
